

## Women in Sports: Continuing Challenges in the 21st Century

Choose 2 of the questions below to answer in a well-researched paragraph each:

- Should WNBA players be paid and treated better than they currently are by their parent league, the NBA? Why?
- Should the women's national soccer team win their lawsuit against the Soccer Federation for better pay/conditions? Why?
- What should happen in the case of professional runners employed by Nike who are currently alleging pregnancy discrimination by the company?
- What should the US Tennis Association do about Serena Williams' complaint that she has been repeatedly fined for actions seen as aggressive & unacceptable that men are not also fined for?

In a solid, well-supported paragraph for each, explain what you think should happen in this particular case and why. Your paragraphs should have an argumentative topic sentence, 3 pieces of detailed evidence to support your argument and a concluding sentence.

### Paragraph I

**What is the topic & argument of the paragraph in 1 sentence?** (What specific ARGUMENT will this paragraph illustrate with its examples?)

**What are the examples that support your topic sentence/argument?** (FIRST give the detailed evidence and THEN explain what each example shows (this is your analysis).)

1.)

2.)

3.)

**What statement wraps up this topic?** (What conclusion can be drawn from the examples from the examples in this paragraph?)
