

Extra Credit Opportunity: Recipes from Grandma's Wartime Kitchen

Later this week, we'll be looking at how the U.S. govt. mobilized popular support for the war effort. We'll also be having a party which features home-baked goods from a WWII cookbook.

If you bring in a baked good to share from *Grandma's Wartime Cookbook*, you'll earn 2 pts of extra credit on your WWII debate at the end of this unit. See Ms. Shen for recipes or check on the website for recipes!!!

We will vote on best and worst tasting food but no worries, you do not need to produce an edible product to receive credit for the assignment!
