Research Paper Self-Assessment

---

1. What (if anything) are you most looking forward to with this project?

2. What (if anything) are you most anxious about with this project?

3. <u>BIG PICTURE</u>: What do you need some help with when it comes to this assignment?
       I would benefit from: (check all that apply)

   _____ Nothing extra.

   _____ More frequent check-ins. IN CLASS / OUTSIDE OF CLASS

   _____ One-on-one meetings IN CLASS / OUTSIDE OF CLASS before big due dates.

   _____ Class work day check-ins to help me make sure I'm on track.

   _____ Something else? (Explain)

4. <u>SMALL PICTURE</u>
   a. We are going to work on this paper twice a week for the next few months. What does being PRODUCTIVE on those in class work days look like to you? Explain.

   b. What can I/you/we do to set you up to be PRODUCTIVE on those work days? (check all that apply)

   _____ I'll be fine.

   _____ Check-in at the START / END (circle one or both) of class to make sure I'm on track & share what I've done.

   _____ Bring headphones so I can tune out the world.

   _____ Separate seating away from distractions. If you'd benefit from this option…
           _____ I am likely to need this but unlikely to do it without your support.
           _____ I am able to make this move on my own.
           _____ I'm not worried about distractions.

5. I anticipate needing the most help with:

_____ writing a question & thesis

_____ finding sources, making sure I have enough info, etc.

_____ note-taking

_____ outlining my paper

_____ writing it (actually starting on time so I'm not rushed)

_____ editing (Yes, you do need to do that step!)

_____ staying focused and on track during work days

6. How do you feel about working in the library space? (Are you productive there? Would you be more focused in the classroom?)

7. What are your free or Skills block(s) should we need to meet/check-in?

Semester 1: _____

Semester 2: (if you know) _____
