Sports as History Project NOTES

Just a reminder that your notes should include the following info:

- Overview of your sports topic
- Explore the role historical or cultural events plays(ed) in accelerating/influencing the topic
- Explanation of what we can learn about history, society, culture, and conflict through this sports topic

You will need a bibliography for this project. So as you take your notes below, make sure you're including the source information alongside your notes.

Topic:
